3 *N.B.*—Should the number of candidates who have applied to be examined at any one of the above centres fall short of *thirty*, the candidates that selected that centre must be prepared to proceed, at their own expense, to the nearest centre where the examination may be held. Timely notice will be given to the candidates concerned.

4 No notice will be taken of the application of any candidate who selects a centre which is not in the above list and no candidate will be allowed to name more than one centre. No candidate will on any account be allowed to change the place of examination entered in his application, *which must necessarily be the place which he is employed or ordinarily resides, or should at not be a centre, the place nearest to it where the examination is held*. A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination annulled.

5 In addition to the above centres, the Commissioner will be prepared to arrange for the holding of the *Written* examination in any of the subjects mentioned, at any other place, if he is satisfied that not fewer than *thirty* candidates are likely to offer themselves for examination, and it is advisable to make such place a centre. Applications for the inclusion of such place or places in the list of centres should be made to the Commissioner through the local educational or other authorities concerned *before* the 20th August. Ordinarily, however, only one place will be constituted a centre for each district.

6 The oral and practical examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

N.B.—*To guard against disappointment in the case of such of the Oral and Practical examinations as may be held before the written examination, candidates are recommended to refer to Part I-B of the* Fort St. George Gazette *from time to time.*

8 Candidates whose examinations, either written or oral and practical, cannot be arranged for at any place must, at *their own expense*, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

7 Heads of institutions are requested to see, before the certificate at the foot of the application is signed by them, that their institution has been recognised by competent authority, as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their *pupils*.

N.B.—Heads of institutions recognised for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical Examinations.

8 All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications) by the head of that institution, no applications of any *private* candidates being enclosed with these applications.

* Candidates bringing up Cotton-weaving (Elementary grade) should state in their applications whether they desire to be examined on the Native or on the European hand-loom.

† The examinations in Tailoring (Elementary and Intermediate Grades) will be conducted according to the Syllabus revised up to the 24th February 1913.

9. Each candidate must, wherever the syllabus requires it, submit, before the 31st August, the necessary drawings, plans, surveys, field books, estimates, or other "certified works" Each of the drawings, etc., submitted must have entered on it the name of the candidate, the subject and grade of examination for which he appears and the centre at which he appears, and must be certified to be his own unaided work by the head of the institution or office to which he belongs, by an officer of the Public Works Department not below the rank of Supervisor, by a District Board Engineer, by the Engineer of the Corporation of Madras, or by an Engineer of any Railway Company

Candidates are specially warned that uncertified works will be valued by examiners unless the certificate of authorship in quite satisfactory, and specifies clearly the period of time occupied in the execution of each work and unless the examiners are satisfied as to the identity and qualifications of the persons granting the certificates. Further, if any suspicions attaches to any certified works submitted by pupils from Technical Schools the Commissioner will be compelled to recommend to the authority concerned the withdrawal of the departmental privileges enjoyed by the schools. Private candidates, whose certified works are in any way suspected by the examiners, will be liable to have their examinations invalidated and also to be debarred from appearing for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit.

It must be particularly noted that the drawings, etc., of each candidate should be submitted in a separate roll for each subject and for each grade (*i.e.*, the drawings, etc., for a number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll Also, on the outside of each roll for each subject, each candidate should enter the following particulars in ink :—

(1) Name of candidate,
(2) Place of examination,
(3) Subject,
(4) Grade, and
(5) Total number of drawings in each roll.

As the application has to be kept in the office and as the drawings, etc., have to be forwarded to the examiners, the application itself should be sent in a *separate* cover and *not rolled up* with the drawings, etc.

A candidate who failed, or having applied, did not appear, at a previous examination, must submit fresh drawings, etc. The drawings, etc., submitted will on no account be returned

10 Candidates must send in their applications made out in English on *printed forms in that they reach the Commissioner's office on or before the 31st August, after which date no applications will be received.* Only one form of application should be used by each candidate, although he may bring up several subjects and come up for different grades.

11. Candidates in the mofussil should obtain the required application forms from the treasury of the taluk in which they are resident or of the district to which they belong Candidates in the Native States of Mysore, Travancore and Cochin should obtain them from the Honourable the Resident's Treasury Candidates who are residents of Madras should apply for application forms at the office of the Commissioner for Government Examinations, Old College, Nungambakkam, and not to the Collector of Madras.

N.B.—No notice will be taken of any application from candidates in the mofussil requesting to be supplied with application forms from the office.

12 The following is the scale of fees to be paid by candidates for admission to the examinations :—

	Elementary	Intermediate	Advanced.
	Rs.	Rs.	Rs.
For each subject	3	5	10

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

13 The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras, attached to the application, which must in every case reach the Commissioner's office on or before the 31st August. *On no account will the fees be received in the Commissioner's office whether sent in cash or by Post Office orders. No application will be registered unless it reaches the Commissioner's office, by the date prescribed.*

NOTE.—*At Madras, in the case of all pupils, the fees should be collected by the Headmaster and sent in a lump sum to the Bank of Madras together with two lists of the pupils, one of which will be returned by the Bank and the other signed and returned to the Headmaster. This latter list should be forwarded to this office along with the applications of the candidates. The necessary forms for this purpose will be supplied by this office to Headmasters on application.*

14. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, the receipt for the fee paid *being securely fastened to it.*

☞ Candidates are warned that the application itself *should not be enclosed* with any drawings plans, surveys, field books, estimates, or other "certified works" that may be sent, but should be submitted in a separate cover.

[*Application for admission to the Government Technical Examinations.*]

No other form of acknowledgment except that required by the postal rules regarding registered covers can possibly be given nor will any notice be taken of any letter from any candidate inquiring whether his application has been received. *Insufficiently stamped covers will be rejected.*

15. Candidates should *write their names, their father's names and their house names distinctly and in full* in their applications and give their *addresses in full* also; if "Other Hindus", they should state in column 8 of their applications whether they are "Non-Brahmin Caste Hindus" or "Panchamas". 16. *The fee paid will, in no case whatsoever, be refunded, nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the notification carefully and satisfy themselves, before remitting their fees, that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed, at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written, or the Oral and Practical examinations.*

17. Candidates for the Intermediate or Advanced examinations whose names have already been published in the Gazette as having passed a particular stage or stages in subjects to which the examination is divided into stages, or as having passed the Intermediate (late Preliminary) where the examination is of two grades—Intermediate and Advanced—must in their applications cite the date and page of the Gazette in which their names appear and their number in the list of successful candidates.
